Morgan Agster joined the MJ team in 2017 as an assistant account manager in our Benefits Consulting department and was quickly promoted to account manager shortly thereafter. In 2022, she advanced to the role of client executive. In this role, Morgan works to provide comprehensive benefits, health and wellness, and compliance services to clients. Along with servicing the daily needs of our clientele, she strives to provide an extraordinary client experience while managing the marketing and renewal process for new and existing accounts.

Before joining MJ, Morgan worked as a leadership consultant for Kappa Kappa Gamma, where she served as a traveling consultant specializing in the leadership development of collegiate women. She also supported the development and continuation of chapters across the nation. Leveraging the skills she gained, Morgan has a unique ability to see the big picture, enabling her to develop strategic approaches for our clients that help them realize their goals.

Outside of work, Morgan is passionate about fitness, especially running. Not many people know that she is also a great figure skater. She stays true to her alma mater and roots for the Arizona Wildcats, but she also fell in love with Clemson University on one of her consulting trips and now cheers for the Tigers as well.
