Mercy Ibarra joined the MJ team as an account manager in our Benefits Consulting department and quickly moved up to the role of client executive. In this position, Mercy and her team work to provide comprehensive benefit strategies, health and wellness programs, and compliance services to their clients.

As a seasoned professional, Mercy develops the most cost-effective and strategic benefit options and programs for our clients. She is their primary point of contact and acts as an advocate on their behalf. She enjoys creating effective communication material and helping our clients navigate the ever-changing world of healthcare.

Prior to joining MJ, Mercy worked as a senior account manager at DBG Benefits. With over 20 years of employee benefits life and health insurance experience, Mercy has grown to become a technical expert in her field and a respected member of our Benefits Consulting team.

Outside of MJ, Mercy cheers for the Arizona Cardinals. She is also bilingual in Spanish and loves spending time with family.
