Kris Kiley joined the MJ team in 2007 as an account coordinator in our Risk Management + Commercial Insurance department. Through Kris's hard work and dedication, she was later promoted to the role of an account manager. Her success continued to grow, leading her to her current position as part-time risk support, where she specializes in large construction, specialty contractors and contract review. In her role, Kris coordinates service and marketing strategies to ensure her clients receive the highest quality care and attention. She also provides customized risk management solutions to meet their individual needs.

Prior to MJ, Kris worked as an account manager in the Commercial Insurance and Surety departments at a large independent agency. This prior experience equipped her with valuable expertise that greatly contributes to her current role. As a dependable and invaluable point of contact for her clients, Kris remains to be a vital member of the MJ team.

Outside of work, Kris enjoys spending time with her family, supporting her favorite sports team - the Indianapolis Colts, and indulging in her favorite pastimes of reading, watching movies and listening to music.
