Fletcher Place
Service through Church

Brenda Slavens joined the MJ team in 2002 as a commercial account manager in our Small Business practice group. She has since moved to assume the role of risk transfer specialist in the Risk Management + Commercial Insurance department, where she specializes in servicing the needs of our clients in the construction industry.

In her role, Brenda and her team work to provide comprehensive risk management and insurance programs and strategies to their clients. Along with servicing the day-to-day needs of her clientele, she strives to provide extraordinary service while managing the marketing and renewal process for new and existing accounts.

Brenda has over 30 years of industry experience in life and health, personal, and commercial insurance. She is passionate about using her expertise to find the most efficient means to bring success to her team at MJ.

Outside of work, Brenda keeps busy spending time with her eleven grandchildren! She also loves to be with her rat terrier dog, Sophie. Brenda has a passion for singing and utilizes her vocal talent in her church's praise team on the weekends. One day, Brenda hopes she will be able to visit and experience life in Australia.
