FAVORITE QUOTE

"It's the little things that matter most."

Caroline Jenkins joined the MJ team as an assistant account manager in the Personal Insurance department and has since advanced to the role of account manager. At MJ, Caroline assists the Personal Insurance team in the design and placement of insurance programs for successful individuals and families. She works closely with the Personal Lines team to build and maintain productive relationships with key carrier partners.

Caroline utilizes her training and expertise in advising on policy coverages, risk management services, and loss prevention processes. She also works to build and maintain relationships with key agency partners.

Outside of the office, Caroline enjoys spending time with her family and friends, along with her English bulldog named Ellie. In her free time, you can find her cycling, watching movies, cooking, or baking. Caroline hopes to travel through Europe one day!
