Anna Kate Ohl joined the MJ team as a plan operations assistant. Currently, she holds the position of associate account manager in the MJ Retirement department. In this role, Anna collaborates with her team to offer daily support to our clients and assists with scheduling, drafting reports, quarterly deliverable projects, and managing the client portal.

Prior to joining MJ, Anna earned her degree in communication studies from Ball State University. Today, she applies her communication skills and expertise to stay organized, communicate effectively, and aid the MJ Retirement team in providing our clients with an exceptional experience.

Outside of the office, Anna Kate enjoys spending time with her "mountain man" husband, family, friends, and two German Shepherds. She is a collector of sentimental trinkets, family photos, and other vintage items, and is fluent in all things 'Beatles'.
