Sarah Petty joined the MJ team as a total rewards specialist and has since been promoted client executive in our Employee Benefits department. In her role, Sarah uses her deep understanding of insurance products and policies to inform benefit strategies—her exceptional communication, relationship-building and problem-solving skills support client satisfaction and long-term partnerships.

Prior to MJ, Sarah gained ample industry experience in benefits, payroll administration and client relations. Her professional experience and motivation for cross-training enable her to work effectively with all levels of an organization, making her a valuable asset to the MJ team.

Outside of the office, Sarah is passionate about music, film photography, knitting and cooking. She enjoys spending time with her husband and their three cats, Penny, Karen and Summer. Sarah has also studied French for almost 15 years, which she hopes to utilize by traveling around France.
