EDUCATION

B.A. in Communications, Michigan State University

Amy Pinder joined the MJ team in 2017 as an office assistant and after managing many positions on the team, she has transitioned to the role of client executive in our Retirement department. Amy is responsible for oversight of plan processes, conducting extensive plan document review, and providing operational support to the team's Retirement Advisors.

Prior to MJ, Amy accumulated experience in the hospitality and healthcare industries, where she developed a passion for delivering the highest level of customer care. She has seamlessly transferred this dedication to her current role, navigating the dynamic landscape of the retirement industry while upholding the commitment to providing exceptional client service.

In her free time, Amy loves spending time outdoors with her husband, young children, and golden doodle.
