Michael Cieslak joined the MJ team as an account manager in the Risk Management + Commercial Insurance department, with a focus on small business commercial lines. In his role, Michael takes charge of coordinating service and marketing activities, ensuring that our clients receive the utmost care and attention.

Michael's dedication to risk management, trend reporting, and data analysis allows him to craft comprehensive risk management strategies that perfectly align with the unique needs of our small business clients. He goes above and beyond by managing their daily servicing needs, always guaranteeing a smooth and seamless experience.

Prior to MJ, Michael worked in various roles, including commercial account manager, account manager, and commercial service center agent, which helped him hone his skills and expertise. These roles helped him sharpen his skills and expertise while also strengthening his dedication to providing excellent client service. His valuable experience and commitment to clients make him a valuable asset to the MJ team.

Apart from his work at MJ, Michael enjoys exploring new hobbies and interests. He is an accomplished artist, a talented cook, and an avid runner who loves spending time outdoors with his three Great Danes.
