EDUCATION

B.B.A. In Marketing – University of Texas at San Antonio

PHILANTHROPY

Morgan's Wonderland

Erin Garza joined the MJ team as a risk transfer specialist in our Risk Management + Commercial Insurance department. In this role, Erin is responsible for working closely with the analytics, risk services, and client advocacy teams to develop risk transfer strategies. These strategies consist of coordinating service and marketing activities, inspecting data for potential coverage gaps and making the necessary recommendations on those limitations that correlate best with the needs of her clients.

Prior to MJ, Erin acquired over six years of experience working in the insurance industry in roles such as assistant vice president of multinational account manager and Commercial Line account manager. Her drive and dedication to providing clients with the best solution for their insurance needs make Erin a valuable asset to the MJ team.

When not in the office, Erin can be spotted exploring new destinations with her husband and the two best travel companions, her Yorkies, Penny and Zoey. If spending the day at home, all four can be found bingeing the latest Netflix series or planning their next excursion.
