Graham Rieg joined the MJ team in 2023 as a sales intern in the Risk Management + Commercial Insurance department. He quickly developed a passion for risk management and, following his graduation from Butler University, became a full-time risk management consultant. In his role, Graham is responsible for providing exceptional customer service to our clients. He takes pride in understanding their needs and communicating effectively to ensure that the best risk management strategies are deployed. Graham enjoys meeting clients in person, which allows him to learn more about their businesses and form meaningful relationships.

Prior to joining MJ, Graham earned his degree in Risk Management and Insurance and Finance from Butler University. During his college years, he gained valuable industry experience through internships at various insurance agencies. Graham's passion for the industry and his drive to succeed make him a valuable asset to the MJ team.

When not working, Graham can be found playing soccer, fishing, and following the latest shoe trends. Trust us, his collection is worth a look!
