Shannon Tausch serves as an associate client executive in the Benefits Consulting department. In her role, Shannon collaborates closely with MJ's clients, providing invaluable support in managing the day-to-day operations of their benefit plan strategies. Additionally, she plays a pivotal role in establishing and nurturing strong relationships with key personnel at third-party administrators (TPA), carriers, and vendors, ensuring seamless coordination and outstanding service.

Prior to MJ, Shannon honed her extensive customer service skills through various positions that demanded an exceptional eye for detail. In her most recent role, she utilized data and customer insights to identify opportunities, extract actionable insights, and prioritize the company's business roadmap. With Shannon's exceptional attention to detail, client-centric approach, and continuous pursuit of personal growth, she adds immense value to the MJ team.

Outside of MJ, Shannon is an avid explorer of new hobbies. Currently, she is broadening her culinary skills by experimenting with new recipes and eagerly devouring the book "Salt, Fat, Acid, Heat." When she's not busy in the kitchen, Shannon finds solace at the yoga studio, where she enjoys participating in aerial yoga and dance classes.
