"The significance is hiding in the insignificant. Appreciate everything." - Eckhart Tolle

Natalie Mitchell joined the MJ team as a client advocate in our Benefits Consulting department. In her role, Natalie supports our account managers and client executives to deliver exceptional client experience. Natalie provides day-to-day support to our clients such as preparing renewal information and ensuring accuracy in policy details.

Prior to MJ, Natalie realized her passion for working with and helping clients through a variety of roles. With a background in communications, Natalie uses her strong interpersonal skills to work collaboratively with clients to find innovative, forward-thinking solutions. Natalie's attention to detail and ability to develop deep relationships makes her an invaluable member of our team.

Outside of work, Natalie enjoys staying active and enjoying the outdoors. With hobbies including paddle boarding, skiing, and running, she stays busy, taking advantage of all that Colorado has to offer.
