Brayleah Barnish joined the MJ team as a client manager in our Benefits Consulting department. In this role, Brayleah supports the day-to-day operations of existing employee benefits clientele and works closely with the analytics, wellness, compliance, communication, and advocacy teams to execute client healthcare and benefits strategies.

With experience in managing clients and their unique needs as an account manager in her previous roles, Brayleah brings a wealth of knowledge and experience. Her time in Benefits Consulting has provided her with a strong eye for detail as she ensures a great client experience based on each client's unique strategies. Her dedication to excellence and passion for helping others make her an outstanding addition to the MJ team.

When she's not at the office, you can find her hiking, spending time with family, and racing at the dirt track. Need a mechanic? Don't worry—Brayleah has got you covered! Her hidden talent and hobby is working on her own race car in her spare time!
