Natalie Hagan joined the MJ team as an employee benefits consultant in our Benefits Consulting department. With almost a decade of experience in the industry, Natalie is well-equipped to provide clients with exceptional service and value. She works to develop and implement benefit strategies that align with clients' unique organizational goals.

Prior to MJ, Natalie worked for a global insurance company. In her role as a sales consultant, she oversaw the development of new business and used innovative strategies to help clients achieve their goals in the ever-changing world of workforce benefits and reinsurance markets. Her ability to collaborate with clients to find the best solutions makes her an invaluable asset to the team.

Outside of MJ, Natalie is passionate about her family and seeing concerts. She also enjoys playing pickleball and wants to attend Wimbledon one day!
